**Re: DCOI MUP and InPro DCOI Preservative
Applications to register new manufacturing use and end use products**

Enclosed are applications to register **DCOI MUP** and **InPro DCOI Preservative**, new manufacturing use and new wood preservative end use products. Both DCOI MUP and InPro DCOI Preservative contains the active ingredient 3(2H)-Isothiazolone, 4,5-dichloro-2-octyl- or 4,5-Dichloro-2-n-octyl-3(2H)-isothiazolone (DCOIT) (PC 128101).

InPro DCOI Preservative is a 100% repack of DCOI MUP and should be classified as a secondary application. The PRIA codes for DCOI MUP and InPro DCOI Preservative are A560 (fee of \$13,226) and A560.1 (fee of \$3,307), respectively.

If you have any questions regarding these submissions, please contact me. I may be reached by phone at 770-233-4244 or by email at RichardsonLA@Koppers.com.

Sincerely,

A handwritten signature in blue ink that reads "Leigh Ann Richardson". The signature is fluid and cursive, with the first name "Leigh" being more prominent.
